Dear Julia:

On behalf of the Exhibits Committee, I want to take this opportunity to formally thank you for promoting the collections of MSU Libraries through your Fall 2017 display, *Happy Birthday Mr. President – Honoring the 100th Anniversary of the birth of John F. Kennedy*. This was a perfect topic for a 1st floor space, because of the emphasis on politics and the presidency during this time in our country. This informative exhibit focused on our 35th president highlighting major events in his life. Your talking points give observers just enough to draw them into the topic. The items displayed promote the different times in his life, personal and political. Your exhibit was the perfect mix of text and materials from the collection.

Your continued, voluntary investment of time and energy into library exhibits is greatly appreciated!
